

Juice Vibe Waskaduwa

Premium Website Launch & Digital Presence Proposal

Prepared for: Juice Vibe Waskaduwa
Prepared by: Dulanjaya Lakruwan

Executive Summary

This proposal recommends launching the official website under juicevibe.lk, creating and verifying a Google Business Profile, implementing technical and local SEO, and establishing a managed digital infrastructure that the client owns while ongoing technical support can be provided by the developer.

Recommendations

- Register juicevibe.lk in the client's name.
- Host the website on Vercel with HTTPS.
- Create and verify Google Business Profile.
- Configure Google Search Console, Google Analytics and sitemap.
- Implement Local SEO and structured data.
- Continue with optional managed maintenance.

Business Benefits

Professional online presence, higher Google visibility, Google Maps listing, QR ordering, stronger customer trust, and a scalable foundation for future growth.
